AVALON GOLF ESTATE JOINS THE EXCLUSIVE PACIFIC LINKS GOLF NETWORK

Avalon Golf Estate that opened in December 2015 is fast becoming recognized as one of Mauritius' premier golfing experiences. This Peter Matkovich design is the only championship golf course located on the central plateau in Mauritius and was ranked number 4 in the course rankings conducted by top100golfcourses.com earlier this year.

In a continued effort to provide value to its members, Avalon Golf Estate has now joined the exclusive Pacific Links Golf Network that will allow its members privileged access to more than 200 reciprocal golf clubs worldwide.

"Avalon Golf Estate is an incredible property, offering not only great golf, but is easily accessible from all parts of the island," said Rudy Anderson, President of Pacific Links International. "This partnership will allow our international members to access to a truly luxurious golf experience."

Pacific Links was founded in 2009 and, simply put, provides members with a premium golf experience through an innovative international membership structure focused on the Chinese golfer. Pacific Links offers them access to the finest collection of high quality golf clubs in the world. The Pacific Links Network of Affiliated and Reciprocal clubs now stands at over 600 properties located in 27 countries around the world. With a strong membership base continuing to grow in China, it is positioned to be the preeminent Lifestyle portal of China's HNW customer providing high demand travel itineraries inspired by golf.

Avalon Members will now be able to access the Affiliate clubs through a dedicated golf concierge service that will make bookings on their behalf. At more than 70 of these clubs the green fees will be complimentary! At the remaining reciprocal clubs, members will enjoy privileged access and a discount of 50% off the normal green fee rate. The golf club network consists of high-level clubs from across the globe with designers such as Greg Norman, Pete Dye and Jack Nicklaus.

"We are delighted about the partnership with Pacific Links International, not only will it provide incredible value to our members but it will also give Avalon Golf Estate great exposure in China, especially amongst the 9000 HNW members of Pacific Links International" said Ryan Dodds, General Manager of Avalon Golf Estate.
